CCI is a non-profit, membership association whose purpose is to offer assistance to county commissioners, mayors and council members and to encourage counties to work together on common issues. Governed by a board of directors consisting of eight commissioners from across the state, our focus is on information, education and legislative representation. We strive to keep our members up-to-date on issues that directly impact county operations. At the same time, we work to present a united voice to the Colorado General Assembly and other government and regulatory bodies to help shape the future.
