

RIO BLANCO COUNTY MOBILE HOME DEMOLITION HOMEOWNER CHECKLIST

This checklist must be completed in order to properly dispose of mobile homes. The completed packet must be submitted to the **Road & Bridge/Landfill Admin. Office at 570 Second St. Meeker, CO** before arrangements for delivery can be made.

Owner: _____
 Mobile Home Location: _____
 Mobile Home Year, Make & Serial #: _____

Activity	Attached	Owner Initial
1 Proof of Ownership/Certificate of Destruction: Go to Clerk & Recorder's Office with proof of ownership or title. If needed, obtain a duplicate title from the Clerk & Recorder's Office. A Certification of Destruction will need to be filed with the Clerk. Tax authentication will need to be obtained from the Treasurer. The Treasurer will give you a sticker req'd before moving trailer.		
2 Asbestos Inspection: An inspection must be performed by a state-certified asbestos inspector and the findings documented in a report. List of certified asbestos inspectors is available on the website: https://cdphe.colorado.gov/asbestos		
3 State Demolition Permit acquired: A state demolition permit must be applied for and received before proceeding. The form is available online at: https://cdphe.colorado.gov/asbestos		
4 County or Town Demolition Permit: If a permit is required by the County or Town to demolish the trailer, attach a copy. Jurisdiction: Town of Meeker____ Town of Rangely____ Rio Blanco County____. To contact the County: (970) 878-9450, Rangely: (970) 675-8476, Meeker: (970) 878-5344		
5 Transport Permit: If the trailer exceeds legal dimensions, a Transport Permit needs to be obtained from the state for state highways, and the County for county road. Trailer dimensions:_____ County Roads to be travelled on:_____ Form is available online at rbc.us or at the Road & Bridge/Landfill Office, 878-9590		
6 Freon and fluids removed: Owner must remove all fluids. Freon must be removed from refrigerators/freezers by a state-certified CFC technician and tagged appropriately.		
IF NON-FRIABLE ASBESTOS IS PRESENT:		
7 Special Waste Char. Form: Owner will complete the special waste char. Form so a special waste number can be assigned. Form is available from the Road & Bridge/Landfill Office, (970) 878-9590.		
8 Abatement performed according to Regulations: County will submit Asbestos Inspection Report with the special waste char. form to our landfill consultant for an opinion on if we can take the material and how it needs to be prepared for transport and disposal.		
9 Manifest: A completed manifest must accompany each load and submitted to the landfill attendant. Form is available from the Road & Bridge/Landfill Office, (970) 878-9590.		
IF FRIABLE ASBESTOS IS PRESENT, CALL RIO BLANCO COUNTY LANDFILL ADMIN. OFFICE AT (970) 878-9590.		
Call the Rio Blanco County Road & Bridge Dept. for any questions (970) 878-9590
